

Getting Started is Easy!

The menu on the left side of the screen has most of the tools to navigate through the community and get started contributing to your groups.

Quick Start Guide

Sending a Private Message

1. Under My Account click My Messages, click Compose Message.
2. First enter the subject of your message, then start typing the contact to message.
3. As suggestions appear, click on the desired name. You can message multiple people.
4. Enter message details, attach files, or add inline images using the image icon.
5. Finally click Send Message

Join a Discussion Group

1. In the left menu expand My Group Pages, then click
2. Find Groups to Join.
3. Click Request to Join or Join Group. Now you can contribute, discuss, and receive updates from the Groups you joined. Enjoy!
